History of Armenia: A Brief Course / Compiled by A.V. Ghambaryan –
Yerevan: Institute of History, 2015. - 272 p.

This book presents the concise history of the Armenian people from Ancient times up to Contemporary period.

Rich specialized literature is used for exposition of the brief course of History of Armenia, which includes publications of the newest achievements of the Historical Science in different languages, textbook materials for high schools and universities of the Republic of Armenia developed during the recent years.

The book is intended for wide sections of English-speaking audience, representatives of the Armenian Diaspora, interested in history of the Armenian nation and for specialists-historians (teachers, lecturers, others) using English as the instruction language. The book may be used as a manual of History of Armenia for foreign students, who are studying at the universities of the Republic of Armenia, and whose instruction language is English.
